

Changing Your MyChart Security Question

To update your security question, log-in to MyChart:

1. Select the **Preferences** tab.
2. Select **Change Password** from the drop-down menu.
3. In the Change Security Question/Answer section.
 - A. Type your **Current Password** (*not* the answer to your current security question).
 - B. Click the **Choose a security question** arrow to select a New Question.
 - C. Type your **New Answer**.
4. Click **Save Ques/Ans** to save your changes.
